GREETINGS:

As the administrative head of the municipal government, I am happy to extend Charleston's official greeting to visitors attracted to this community by Citadel's outstanding athletic program.

The Citadel, its faculty and its student body for more than a century have played an important part in Charleston's community life. Charleston is proud of the fine character displayed by the Corps of Cadets both in athletic competition and in other endeavors, and Charleston always welcomes their relatives and friends.

Best wishes for a successful season!

Cordially,

Wm McG Morrison

EDWARD L. TEAGUE, Jr.

Athletic Director—Head Football Coach

Eddie Teague embarks on his second season as Head Football Coach and Athletic Director at The Citadel. Coach Teague joined The Citadel staff in January of 1956 and brings to the military college a solid background in football.

A native of Washington, D. C., Coach Teague received his secondary education in that city. In 1939 Coach Teague entered North Carolina State University and completed three years of study before he was called to active duty with the U. S. Marines. Teague received his B.A. from North Carolina in 1944 while attending V-12 School.

After two years of service in the Pacific, Coach Teague re-entered North Carolina to work on his M.A., which he received in 1947.

Teague entered the coaching profession in 1947 when he went to Guilford College as assistant football coach. In 1949, he was promoted to Head Football Coach and Athletic Director at Guilford.

The Korean Conflict forced Teague back into active service in Korea until his discharge in 1952.

After being discharged, Teague joined the staff at the University of Maryland under Jim Tatum. When, in 1956, Tatum moved to North Carolina Teague was asked to follow and serve his Alma Mater as a member of the staff, which he did.

No Crop Failures Here

Assisted by members of the pulp and paper industry like West Virginia, more and more Lowcountry farmers and landowners are profiting from their timber crops. And trees are the one crop that needs neither fertilizing nor cultivating. Trees increase in value all year long, every year, until they reach merchantable size.

A large portion of the wood used by our Kraft Division is purchased from small, independently-owned timberlands, in South Carolina's Lowcountry. Many of these landowners are advised by West Virginia's graduate foresters. By encouraging good forestry in this way, we help to protect and maintain our States' forest resources.

Oh, Citadel, we sing thy fame
For all the world to hear,
And in the paths our fathers showed us
Follow without fear.
Peace and Honor, God and Country,
We will fight for thee.
Oh, Citadel, we praise thee now
And in Eternity.
Oh, Citadel, though strife surround us,
We will ever be
Full conscious of the benefits
That we derived from thee.
Stand forever, yielding never
To the tyrants hell.
We'll never cease our struggles for
Our mighty Citadel.

A new idea in smoking!

Salem refreshes your taste

★ menthol fresh

Salem brings a wholly new quality to smoking...Spring-time-softness in every puff. Salem refreshes your taste the way a Spring morning refreshes you.

★ rich tobacco taste

Smoking was never like this before! You taste that rich tobacco...then, surprise!... there's an unexpected softness that gives smoking new comfort and ease.

★ modern filter, too

Through Salem's pure-white, modern filter flows the freshest taste in cigarettes. You smoke refreshed, pack after pack, when you buy Salems by the carton.
